PROFESSIONAL SUMMARY

MES

Product Support Engineer with 2.7+ years of experience specializing in Manufacturing Execution Systems (MES), Shop Floor Control (SFC), and Production IT Operations within high-volume manufacturing environments. Proven ability to drive digital transformation initiatives, MES support, requirement gathering, application testing, deployment, and incident management. Adept at coordinating cross-functional teams (Production, Quality, Development, Network, Infrastructure) to ensure seamless manufacturing operations and timely delivery of business requirements. Possesses foundational knowledge of PLC, SCADA, OPC UA, Kepware, SAP-MES processes, machine connectivity, and Industry 4.0 principles.

KEY SKILLS

MES Product Support

- Ticketing Systems, Active Directory (AD)
- SQL Database (BASIC) Queries, Microsoft Excel
- Incident Management, MES Implementation
- Production Monitoring, MES Reporting Analysis,
- User Access Management, Application Support
- Troubleshooting & Technical Support
- IT Systems & Network Support
- Customer Service (IT Support), End-User Training
- Problem-Solving & Root Cause Analysis
- Communication Skills, Analysis & Reporting
- SOP Documentation & Process Improvement
- Cross-Functional Collaboration
- Time Management

INDUSTRIAL EXPERIENCE

27/10/2023 - 15/05/2026
TATA ELECTRONICS PRIVATE LIMITED COMPANY, KELAMANGALAM

FTE - MES Engineer

- Conduct data analysis using **SQL reports, Tableau dashboards, and live Grafana monitoring** to provide actionable insights for production optimization.
- Led and managed a team of 10+ apprentice trainees, overseeing MES, SFC, and shop floor IT operations, fostering skill development and team performance.
- Deliver **end-to-end support for MES implementation and operations** across multiple production lines, ensuring smooth system functionality.
- Troubleshoot user issues, perform **root cause analysis (RCA)**, and provide timely resolutions to minimize production downtime.
- Lead **Incident & Problem Management**, managing workflows, escalating complex bugs to **L3 support or vendors**, and ensuring effective resolution tracking.
- Develop and maintain **Standard Operating Procedures (SOPs) and technical knowledge bases**, standardizing troubleshooting and training processes across teams.
- Support project coordination by tracking **project status, milestones, risks, and issues**, generating MIS reports, and maintaining documentation for stakeholder communication. Collaborate with **Project Managers** to ensure timely delivery of project milestones, effective scheduling, and risk mitigation.

Tata Electronics Pvt Ltd (TEPL)

IT Apprentice Trainee - SFC & MES

- Provided **IT support for MES and Traceability applications** to keep production running smoothly.
- Handled **hardware troubleshooting** and configuration for desktops, laptops, printers, scanners, tablets, **Apple Mac Minis**, and networking devices.
- Managed **IP configurations** and connectivity to ensure reliable system access.
- Conducted **training sessions** for shop floor operators, improving system adoption and efficiency.
- Supported **new project bring-ups** and **MES enablement** with software setup, testing, and rollout.
- Maintained seamless

05/06/2022 - 22/10/2022

Surya CNC Automation Company – Trainee

I completed an internship in CNC Programming with hands-on experience in CNC machines and lathe operations. I worked with AutoCAD, CNC systems, and technical drawings in real-time production environments. I followed 5S principles while setting up tools and optimizing machine operations for efficiency and safety.

● **EDUCATION & TRAINING**

24/06/2024 - 30/04/2026 - KRISHNAGIRI, INDIA

DIPLOMA COMPUTER ENGINEERING- K.E.T POLYTECHNIC ENGINEERING COLLEGE

16/08/2021 - 12/07/2023 - HOSUR, INDIA

INDUSTRIAL TRAINING INSTITUTE - GOVERNMENT INDUSTRIAL TRAINING INSTITUTE - HOSUR

● **CERTIFICATIONS**

30/05/2019 CSRI COMPUTER EDUCATION

Diploma in Computer Applications

19/08/2023 GR33000054-Government Industrial Training Institute,Hosur

NATIONAL TRADE CERTIFICATE

18/08/2023 At Schaeffler Technical Enhancement Program (STEP)

Mechatronics Technician Course

● **PROJECTS**

IT Asset Tracking Application (Using Microsoft Access)

Manual Pneumatic press

● **LANGUAGE SKILLS**

Mother tongue(s): **KANNADA**

Other language(s): **TAMIL,ENGLISH, TELUGU**
